

Rites Held For George Schrom, Accident Victim

Served on Patrol Here
For Three Years Prior
To Resignation

Funeral services for George Schrom, 40, former California highway patrolman in Truckee, killed in a logging accident at Sierraville on Monday afternoon, were held this morning at 9:30 o'clock at St. Thomas Cathedral in Reno and the body was shipped to San Bernardino for interment. Schrom was killed almost instantly at 3 o'clock Monday when a truck load of logs which he had hauled to the mill at Sierraville crashed down on him. From reports received here, Schrom was having trouble loosening a cable which bound the load and went around on the pond side to release it. One log rolled off and he dodged it just as the balance of the load catapulted down.

The deceased resigned from the patrol, in which he had been employed for five years, last summer to engage in the logging business for himself. He was making a success of his venture and was preparing to expand when the accident occurred.

Schrom worked in the Truckee area for the patrol for three years, coming here from Los Angeles county where he joined the patrol in November, 1943. He was married and leaves his wife, Betty, and a young son, Billy. His father and mother, Mr. and Mrs. Jacob Schrom, reside at Colton and the former is a retired engineer for the Santa Fe. Also surviving are his sister, Mrs. Beatrice Grove of Colton and a brother, John Schrom of Los Angeles. The deceased was a native of Santa Cruz.

Schrom had many friends in this area who were shocked at the news of his untimely and tragic death.

JAMES MORGAN PASSES AWAY IN S. F. HOSPITAL

On Monday afternoon funeral services were held in San Francisco for James C. Morgan, 40, who had represented the Concannon Wine Company in this territory since February 6, 1950 and who died Friday in a San Francisco hospital following a month's illness. Interment was in the Woodlawn cemetery.

Morgan, a native of Cleveland, was born July 12, 1910. He came to California in 1930. During the war he served with the merchant marine and has since been associated with Concannon. Surviving are his wife, who is continuing to manage the business here; two brothers, Com. W. F. Petrovic of Vallejo and Frank Petrovic of Cleveland and one sister who resided in Cleveland. Morgan had many friends here who will greatly regret his untimely passing.

Lowell Thomas Is Scheduled To Broadcast Here

TAHOE CITY—Lowell Thomas, world famous newscaster and traveler, is due to arrive Monday at Squaw Valley, according to the resort management. During his stay there he will make his daily radio news broadcast from the Southern Pacific Truckee depot as he did during a visit to this area in February, 1949.

Also scheduled to arrive at Squaw Valley this weekend are Norma Shearer and her husband, Marty Arrouge.

EAGLES CONDUCT LAST RITES FOR MANUEL FURTADO

Last rites for Manuel Furtado, 69, a resident of Truckee for the past 36 years who died at Nevada City Monday following a lengthy illness, were being held today at the Truckee Colonial Mortuary under the auspices of the Truckee lodge of Eagles.

Furtado a few years ago retired from his work with the Sierra Pacific Power Company because of failing health. He was stricken critically ill at his home here Monday and taken to the hospital.

Following cremation in Sacramento, the ashes will be buried near his late wife in San Francisco.

So far as known, the deceased, a native of the Azores Islands, leaves no immediate relatives, his wife, daughter and son-in-law all having preceded him death. He was a quiet man, well liked and will be missed by his friends and neighbors.

SUMMIT MAN IS HEART VICTIM HERE ON FRIDAY

Funeral services for Louis T. Featsent, 65, carpenter for the Southern Pacific Company at Norden, who died here following a heart attack Friday evening at 7:30 o'clock, were held here Tuesday afternoon at the Truckee Colonial Mortuary. Rev. A. A. Carmichael officiated. Interment was at the Truckee cemetery.

A native of Youngstown, Ohio, Featsent was never married and so far as known here has no immediate relatives. His foreman, E. L. Olson, was handling the funeral details.

The deceased was well known in the Truckee and Summit area where he had been employed for some time.

School Band Will Play At Wyethia Session

The Truckee School Band under the direction of Ernest Douglass will play several numbers at the meeting of the Wyethia Club to be held tomorrow evening, the session to convene at 8 p.m.

Mrs. Barney Phipps will preside and Mesdames Earl Brown, Douglas Barrett, Harry Barnes, W. C. Gage and Miss Irene Oetjen will serve refreshments following the program.

The membership drive is gaining momentum and it is expected to renew as well as gain new members before the end of the contest.

Violets Herald Spring In Yard of Parker House

If spring isn't actually here, then the flowers in the Everett Parker yard are certainly rushing the season.

Parker was displaying a bouquet of violets which bloomed in his yard during the last week in March, the first time this has occurred so early in the year, he reported.

State Contracts Planned To Fix Damaged Roads

Highway 89 Improvement From Truckee North Is Proposed

Repairing flood-damaged Highway 40 at Floriston proved too big a job for maintenance crews and the work there was stopped Tuesday and all controls removed. This project as well as others in the area will be submitted to bidders in the near future or as soon as engineers have completed surveys and estimates.

In the meantime, T. T. Buell, local division highways superintendent, said the Floriston section has been widened, drains freed and more than 20 feet of highway cleared to permit two vehicle passage as before the washout. Several division of highways officials were here on Friday to scan the project and agreed with the local superintendent that the job was more than a maintenance detail and decided to present it to contractors.

Surveys are also being made at the Flycasters and Mystic for rip-rapping the river bank to avoid future damage by high Truckee River water and at the same time repair damage done by the flood last winter, Buell said.

The biggest job outlined by the division for the coming summer will be rebuilding Route 89 from Truckee to two miles north of Hobart Mills, resurfacing and realigning the road which has been damaged and portions never completed.

Engineers are at present engaged in surveying the road and an estimate of the cost and extent of the work will be announced later.

High School PTA Will Elect at Kings Beach

The High School P.T.A. will meet in the Kings Beach School on Thursday, April 12, at 8 p.m.

At this meeting the group will elect officers for 1951-52. The following were nominated for office: Cliff King, president; Miss Virginia Angelo, secretary; Mrs. A. Sanford, treasurer; Clyde Mandeville of Kings Beach, Mrs. E. Moore of Tahoe City, Mrs. Cartmill of Donner Summit, Mrs. E. D. Mettetter of Truckee, vice presidents; Mrs. Larry Rood of Kings Beach, Mrs. D. Rich of Tahoe City, Mrs. L. C. Nauss of Donner Summit, Mrs. C. E. Martin of Truckee, assistant secretaries. Nominations will also be accepted before the voting takes place.

Immediately after the meeting there will be a student-faculty-parent panel discussion of parent-student understandings. This will embody topics like spending money, hours to be kept by students and democracy in parent-student relationships.

Anyone interested in the youth of the area is cordially invited to attend the meeting and discussion.

Ill Fortune Still Hounds George View Family

Ill fortune which befell the George View family last week when the eldest daughter, Sally, one of seven children, was rushed to a Reno hospital for an emergency appendectomy, and the father was taken to Nevada City suffering from a serious heart attack, was further augmented this week when Mrs. View's mother, Mrs. William Robles, suffered a stroke at her home here.

View's condition continues to baffle physicians but Sally is recovering. Mrs. Robles' condition is reported to be serious.

Sun Beams

April 9 to 15 is National Non-Sectarian Sunday School week. For the past generation the United States has been under the shadow and effects of world wars. We have been so busy with material matters that many of us have forgotten the simpler things that make life really worthwhile. Children are losing something by being out of touch with some religious activity. Going to Sunday School gives a child an intangible character foundation to tie to in later life. It is asking little or parents to devote an hour or so each week to see that their children have an opportunity to attend some Sunday School. An important time to begin is now.

With the Red Cross drives in many communities still falling far short of minimum quotas, we might well ask ourselves, why this apathy? How can the Red Cross provide all the services expected of it on half the money needed? If the Red Cross and our fighting men were as half hearted in their efforts as the people in most communities are about their support this country would be in a sad fix. Let us, then, do something about it. If you haven't given to the Red Cross do it at once and do it generously. Don't fall back on any excuse. Excuses don't help soldiers or civilians in need.

Ellis Takes Agency, Fred Morris Moving

Announcement was made this week that Jack W. Ellis, who with his brother, Cliff, operates the Shell service station of Main Street, is purchasing the Shell Company's distribution facilities for this area from Fred O. Morris.

The transaction will be completed Monday, April 16, but Ellis is assuming charge of the business immediately.

Morris, it was understood, is leaving soon for Rio Vista where he has established a garbage collection business and may return to his previous work as driver for Greyhound. It was not announced whether or not he is disposing of his several dwellings and other property here.

Ellis has been associated with his brother at the Shell station for three years. Cliff Ellis will continue to operate the station independent of his brother.

Tahoe Area May Have New 20-30 Club Soon

A group of men from Lake Tahoe between the ages of 20 and 30 met with the Truckee 20-30 Club last night to discuss plans for the organization of a unit at the lake. Anyone there interested is asked to contact Lynn Kishbaugh at the Pineland Tract. The local club will meet next week at Tahoe.

Harvey Hocker was appointed cubmaster of the Truckee Cub Scout troop and Chet Burns was named assistant cubmaster. Fred Calkins showed movies of snow scenes and a rodeo.

Mr. and Mrs. Arthur Eve attended the school administrators convention at Richardson Springs last weekend.

Board Promises Aid To Summit In Water Crisis

Donner Summit PUD To Survey Plan to Tap Montez Lakes

A \$185,000 water supply project to serve Donner Summit resorts and some 300 homes received a conditional promise of aid from the Nevada County board of supervisors Monday.

Representatives of the area report that lodges and homes are now getting drinking water from streams and springs but that state officials insist other sources be obtained, free of possible contamination.

"We've got to have the water soon or our resorts will go out of business," said William Ruthford, chairman of the board of the Donner Summit Public Utility District.

He asked the board for money to help in preparing specifications for a system to draw water from Lola Montez Lakes. When proper plans are drawn the district will attempt to float a bond issue, he said.

The supervisors approved an appropriation of \$2,000 for the plans from state Statute 47 funds providing legal approval is given.

Appearing with Ruthford were Charles Vind and Henry Piche.

Outdoor Sportsmen Hold Election Meet

The Truckee Outdoor Sportsmen elected the following officers last Friday night for the coming year:

Johnny Ciardella, president; Charles Osburn, vice president; Hazel Roberts, secretary-treasurer; Ray Roberts, Stein Nielsen, Dolores Osburn, Hugh Weinand, Clarence Osburn, Ethel Osburn, directors.

The main discussion of the evening centered on check dams on the Truckee River. A good possibility still exists that the project may materialize in the near future. All the efforts that the president and members of the club have put forth in the past year toward the improvement of fishing in this area have proven promising.

Following the meeting, refreshments were served by Julia Ciardella at Capitol Hall.

Trio Draws Sentences For Robbery of Woman

NEVADA CITY—Two men and a youth who pleaded guilty to grand theft charges in connection with a robbery near Truckee were sentenced by Superior Judge James Snell.

Ramie Sullivan and Harold Sullivan were ordered to San Quentin Prison for terms to be set by the adult authority. Harold Ingram, 19, was committed to the youth authority.

The three were accused of robbing Mrs. Martinez Morales after she accepted a ride in their car last winter.

Lake Tahoe Ski Club Sets Officers Party Date

TAHOE CITY—April 7 has been selected as the date for the annual Lake Tahoe Ski Club banquet for new and outgoing officials of the club at 7:30 p.m. in Tahoe Inn. Members and prospective members are welcome to attend.

Elected last Friday night were the following officers for coming year:

Harold Young, president; Howard Guth, first vice president; Floyd Carnell, second vice president; Blanche Donaldson, recording secretary; Max Porter, corresponding secretary; Arthur E. Frodenberg, treasurer; Al Henry, Bill Becholt, Wes Donaldson and Pete Huega, directors; Kjell Rustad, chief of the hill; Ray Fellows, junior director.

Audit Requested By District After Records Studied

Directors of the Truckee Sanitary District at their meeting Tuesday night decided to request an immediate audit of the records and accounts of the district in order to clarify what they term a far from satisfactory financial report.

The books of the district, according to members of the board, fail to show records of expenditures and income expected and the audit was ordered to bring the accounts back into balance and to reveal when, where and how the costs and receipts were handled, Secretary J. J. McGlade reported.

The board accepted the bid of Thomas Kirby of Hirschdale for \$82 for the old truck offered for sale.

Supervisor H. G. Loehr was at the meeting to discuss district affairs. Board Member Clarence Osburn told of the work being done at the disposal plant by Garing McGee and said that considerable progress is being made and that already all drainage into the Truckee River has been stopped and that the plant is operating effectively.

SUDDEN DEATH OF YOUNG MOTHER SHOCKS TAHOEITES

KINGS BEACH—This entire community was shocked yesterday to learn of the sudden death of Mrs. Marjorie Stamm, 30, who passed away at her home here at 4 a.m. Wednesday.

Born in St. Paul, Minn., March 8, 1921, Mrs. Stamm has made her home at Reno and Kings Beach for the past several years. She was the wife of David Stamm, local garage employee, and the mother of four children, including a month-old daughter, Sandra Lee. Her three sons are Dennis John, 10; Richard David, 3½, and Charles Harvey, 2½.

Also surviving is her father, Walter DuFour of Reno.

Funeral services will be held Monday at 10 a.m. from the O'Brien-Rogers Co. of Reno.

Toni Street Is Winner In Lions Speech Contest

Toni Street was selected from the three local high school contestants at the meeting of the Lions Club last night to represent this district in the public speaking contest tonight at Grass Valley. Darlene Frye and Sheldon Jones, the other two contestants, tied for second place. Judges were F. W. Gaennier, V. C. Shattuck and A. P. Leitch. The subject was The American Voters' Responsibility.

Vern Landreth of Sacramento, Gus Benjamin of Wendover, Utah, Frank Giovannoni and Robert Tonini of Truckee were guests. Clini King was program chairman and Robert Gifford presided.

Opening Draws Crowd at Mattheus Carson Store

More than 1000 people attended the opening of Mattheus new furniture store in Carson City last Saturday and the owner, Herbert Mattheus, said he was more than pleased with the reception extended by residents from the entire area.

Mattheus said he is closing his store at Tahoe City and will concentrate his efforts on his Truckee and Carson City establishments. A large line of new furniture is being received here and is being displayed at the Gateway Park Shopping Center.

Brother of Truckee Men Heads Huge Drug Firm

E. L. Loynd and W. A. Loynd, Truckee drug store and electrical appliance store operators, have received word from their brother, Harry Loynd of Detroit, announcing his promotion to the presidency of the international Parke-Davis Drug Company, one of the largest concerns of its kind in the world.

The new official is well known here where he often visits with his brothers and his mother, Mrs. Joseph Loynd.

Fight Continues For Improving Highway In Area

U.S. Officials Chill Hopes
Of Federal Aid For
Four-Laned "40"

by HENRY C. MACARTHUR
(Chief, Capitol News Service)

SACRAMENTO—Assemblyman Francis Lindsay of Loomis, who represents the state's largest assembly district located in the central Sierra Nevada region, has returned from Washington, D. C., where he conferred with federal officials regarding the widening of U. S. Highway 40 from Sacramento to Reno to four lanes.

Lindsay said after the conference that he is convinced that "the only salvation for Highway 40" is his bill, AB 2266. This measure provides for floating a bond issue to finance the necessary construction.

The Sierra Nevada assemblyman said he discussed the proposed highway with the chief engineer of the bureau of public roads and also with the commanding general of the ground transportation forces of the United States.

"Federal financing of the project," said Lindsay, "does not appear possible at the present time unless defense funds are transferred to road building. No funds have been appropriated by congress specifically for Highway 40. Construction suggested would require about one per cent of all the defense funds available at the present time."

Lindsay said he was informed \$46 billion are available for defense and that the road project would approximate \$46 million.

"But Washington has not closed off consideration of Highway 40 entirely," the assemblyman stated. "I was informed there is a rising tide of public pressure on behalf of the project. Highway 40, not only in California but in the middle west as well, is mapped as a strategic route by the army and is known as 'the' major defense line from east to west."

"Twelve United States senators are interested and are pushing the project. One civic group consisting of about 26,000 members has been pushing the road for some time and members of this group have advised me they will lay their proposition before Secretary of Defense Marshall within a short time."

"But, on the other hand, there are many other major defense road projects before Washington officials and California along with the rest of the western states is competing with the Atlantic coast for whatever money the government decides to spend on road building for defense purposes."

The Lindsay bill suggesting a bond issue for financing the road across the Sierra, the money to be repaid out of the highway users tax fund, follows the pattern suggested by Senator Randolph Collier, who has legislation before the 1951 session for a master project to four-lane all major California roads, both east to west and north to south.

Collier's suggestion, however, proposes an addition to the gasoline tax. Lindsay indicates bonding for Highway 40 could be financed without a gas tax increase and this particular project used as a trial proposition to determine the feasibility of using the bonding method for all major roads in the state.

Solons Ask U. S. Aid To Halt Fish Slaughter

SACRAMENTO—(C.N.S.)—The state assembly has adopted a joint assembly resolution calling on the United States to aid the state in conservation of fish and game by allowing enough water to flow over dams to protect fish and wildfowl life.

Sponsors of the bill maintained the construction of many dams throughout the state to impound water for irrigation and power purposes formed a menace to the state's wildlife, where insufficient water passed over the dams.

entrant in the weekend ski meet at Squaw Valley and took first in the open class division. Eddie Hunter of Squaw Valley took first in class A. Rusty Frodenberg, in charge of the ski patrol at the valley, took third in class C and Jim Baker took third in class B. Emile Allais laid out the difficult course which started at the top of Squaw Peak and wound around through 38 gates. Allais forerunning the course in spite of an injured ankle. A total of 113 gals and guys were entered and although the course was icy in some spots, the three or four inches of fresh snow which fell on Thursday night and Friday morning put the terrain in fairly good condition. A large crowd was on hand to view the events, the weather being perfect. The many friends of Terry Tollefson will be pleased to learn that he was noted on skis again, negotiating the run from the top of Squaw clear to the bottom.

Had a call from Fern Schlueter telling me she and Theodore are back for the season. They returned to the lake on March 26 and came up by way of Sebastopol. Both are glad to be back home but were inconvenienced for a time due to the flooding of their furnace, which should be operating in good style by now. Theodore is now better but must take things easy for some time.

Jim Baker observed his birthday on March 26, as did Mrs. C. A. Tollefson of Truckee. I cooked chicken dinner for a group of youngsters at the Morhain home in Truckee Tuesday evening in observance of the occasion. Guests included Glorian Hodson, Shirley Flagg, Jean Buek, Jim Morhain, Ronnie Sanford and Baker.

Mrs. Jay Shontz and children Jayne and Bro spent Thursday to Sunday as guests of Bishop and Mrs. Noel Porter in Sacramento. On Sunday evening she left for Lodi where she visited for four days with her parents, Mr. and Mrs. D. M. Brodehl. Prior to her departure for Sacramento, the Shontzes were hosts to Mrs. Herman Rau and her children, Beverly and Teddy. Mrs. Rau's husband, Captain Rau, who formerly served at Tahoe with the Community Church, is now a member of General MacArthur's staff in Tokyo. His duties are with the map division.

On Friday students of Mrs. Uhlah Brown's first and second grades feted mothers of the group with an entertainment which included songs, readings and re-

citals. Understand Miss Diane Pearson and Robert E. Hughes are being married today in Reno. Relatives and close friends were scheduled to attend the informal church wedding. Here's wishing them happy days!

Tahoeites who remember the Honeybunch Cafe, formerly located in the Anderson Building here, will be sorry to learn that Mrs. Mae Kennedy, who was employed for several seasons by Mrs. Rose Boyarides, the leasee, was killed over a month ago in Palm Springs. Reports stated that she was struck by a train while crossing the tracks in her car. The family formerly owned a home in Lake Forest.

Mr. and Mrs. Bud Scott and children, Skippy and Bruce, enjoyed the Easter week as guests of their parents, the B. C. Scotts of Piedmont. Mrs. Scott remained on after Easter to visit, returning via airplane to Reno Wednesday where she was met by her husband.

Mr. and Mrs. Raymond Fellows and children Sandra and Lewis are expected home this week from a two weeks vacation to Sun Valley. They wrote friends this week that the skiing was excellent with an abundance of corn snow and the resort was running with a capacity crowd. Have a note from 'Rie Henry in Tahoe City giving me a few items of local interest. She and

Joe stopped by on their way home from Rosemead to visit Mrs. McPherson, former Tahoeite, who sends along her regards to her old Tahoe friends. While in the south, the Henrys drove to Costa Mesa to visit with the Carlton Valentines, who unfortunately did not know they were coming and had gone to San Francisco. The Henrys recently had a letter from daughter Pat back in Massachusetts who told of driving 50 miles to the mountains to get in a bit of skiing. Pat and husband sent along a picture of the national jumps with the huge crowd attending, with the two of them pictured in the midst. Rie also met Straud Mikkelsen recently who keeps up via the press with Tahoe and Highway 40 news. He too sent along his best to old friends here. Rie herself has been in St. Mary's Hospital for a medical checkup and says she is feeling right fine. She asks if I heard the story about the \$20,000 diamond ring lost at Squaw Valley, which was found and returned to its owner. I didn't but it goes to prove there are plenty of honest people left in the world. On Tuesday last Karen Henry celebrated her fifth birthday with a party at home for which her mom baked two beautifully decorated cakes. And at the Henry Sr. home on Easter guests for dinner included Rie's mother and brother, Mrs. Mary Planett and Fred Planett of Gerlach, Cal.

Wheat from Reno and Mr. and Mrs. Al Henry and children Karen and Gary.

The Lake Tahoe Chamber of Commerce, which now has its new manager, Frank H. Ross of Fairfield, will move into a new office for the summer. The store unit recently vacated by the Tahoe Sport Shop in the Kilner Building at Tahoe City has been rented for the chamber's use. Ross will have as an assistant Mrs. Harold J. Doig of Tahoe City, who will be employed on a part time basis until increased business warrants full time service. Mrs. Evelyn Mandeville, for-

mer secretary of the chamber, resigned recently to devote her entire time as secretary of the North Tahoe Public Utility District at Kings Beach. Clarence Vernon is acting president of the Lake Tahoe chamber.

On May 1 an election will be held in Tahoe Community Center hall to choose a director for the Tahoe City Public Utility District. C. W. Vernon's term expires at that time. He also is president of the board. Vernon is again filing for the post and to date there are no other candidates. Voting hours are from 1 to 6 p.m. May 1.

Leave you for another week and send along hearty good wishes to one and all, as ever, Swanee.

FIELD DAYS WIND UP SKIING PROGRAM OF LOCAL SCHOOLS

TAHOE CITY—The field days at Squaw Valley on Tuesday and Thursday brought to a close the skiing instruction program of the Tahoe-Truckee School District under the guidance of Jim Brehler. A marvelous time was enjoyed by the youngsters who have made excellent progress in the past season. Tahoe Lake and Kings Beach schools were featured on Tuesday and Truckee elementary and Donner Trails enjoyed the sport on Thursday.

SUMMIT SNOW STUDY REVEALS HEAVY PORTION OF WATER

On a snow survey on March 29 to the Huysink area, east of Cisco in Placer County, District Forest Ranger Max Williamson and his assistant, Antone Rogina, of the Tahoe National Forest measured 71 inches of snow with a water density of 32.3 inches. This volume of water represents a density of 45.5 per cent which is quite high in relation to past average.

Williamson has made this snow survey regularly in the past years. His records show that the past six-year average is 114 inches of snow and 45 inches of water. The water density in record is 38.8 per cent.

Huysink is at an elevation of 6600 feet and is in the North Fork of the American River Basin.

According to Williamson, the heavy density of the snow seems to indicate an earlier melt than is usual.

Federal Bureau Holds Up Tahoe City Tract Deal

FALLON—Truckee Carson Irrigation District's proposal to lease the valuable and much sought after 64 acres custodially held tract at the Truckee River outlet of Lake Tahoe on a 30-year basis has been hung up by the bureau of reclamation head office in Washington.

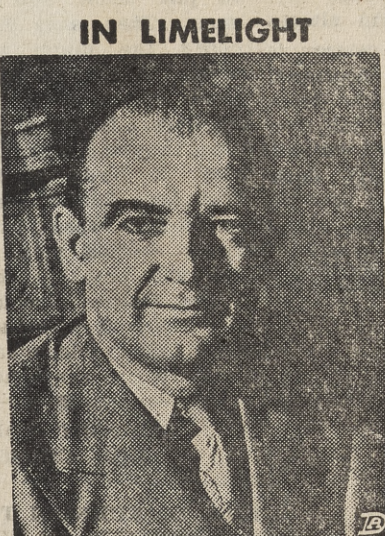

Early in January the TCID board approved to the letter a lease form which had been drawn in their behalf by the Salt Lake regional office of the bureau of reclamation and returned it for final approval.

At the same time TCID issued a "notice of availability" from which they planned to advertise for bids. Long sought by municipalities, political subdivisions and private interests, the valuable tract at Tahoe City was expected to bring a handsome figure each year into the district's coffers.

Story of the action was published in the Fallon Standard and preparations made for advertising, following which a letter frowning on publication of the pending transaction prior to Washington approval was received by the district from the regional bureau office.

Intervening in behalf of the district in Washington was Senator Pat McCarran, who states in a letter of March 19 that the bureau there apparently feels that the land should be disposed of rather than leased.

Should this occur the district will lose the lease revenue, the sale price going into a "suspended fund in Washington pending final settlement of all claims and

WASHINGTON, D.C. — Disclosures of Communist activity in intellectual sabotage of government through infiltration in the nation's capital have brought more publicity to the state of Wisconsin than the dairy industry. When Wisconsin sent young, dynamic Irish Senator Joseph R. "Joe" McCarthy to the senate, it was little realized the fledgling senator would rock the American public into taking more concerted action against methods that have brought World War III to the nation's doorstep.

financial relationships between the bureau and TCID.

McCarran says that regulations require the bureau to return land to private ownership when it is no longer required for proper operation of a project and that according to information he received, a bureau review of the case "does not show sufficient justification for retaining the land in bureau ownership for any extended future lease."

"The bureau here apparently feels that the land should be disposed of, but, at my request, it has asked for a further report from the regional director and will not proceed in either direction until it is received," McCarran said.

Possibility that the California state division of beaches and parks, which long has pressed for title to the area, had intervened politically in Washington in order to obtain title from the bureau was voiced unofficially here.

The difference in whether the land is leased or sold will determine whether or not the revenue therefrom will accrue to TCID directly. All revenues acquired by the district affect both water users and buyers of electric power on the Lahontan project and in Fallon.

My Place In the Sun

by DOUG BARRETT

Bertha Tonini tells me that my old friend, Mrs. Clara Nelson, has just come through a siege of pneumonia at Morro Bay. I was sorry to hear she was ailing but glad to hear she is again on the mend. Jack Waggoner has been busy indeed at his Donner Lake place, having added 76 feet to

his pier. Nels (Swede) Espirides especially should observe lands well but weak after 23 days in the hospital. John Rau and Ray Lake skycrapping atop the SP water tower opposite our office. I was young once myself and not too careful always but feel a word of caution is in order for youthful nocturnal bike riders. A trio came tearing down Spring Street hill into Highway 40 at top speed without lights on a particularly dark night this week, nearly bowling over a few pedestrians. Bike

riders should observe traffic laws, such as arterial stops and lights fore and aft at night. It's just common sense. Pussy willow are out on the hill just below Bob Bick's residence. Then, says Elden Tonini, there's the dumb blonde who wouldn't go to the baseball game 'cause she wouldn't sit in the bleachers. Think about it, it'll come to you. The Legion gave away 30 birds at its chicken shoot here last Sunday. The financial gain wasn't great but everyone seemed pleased. So the boys will probably stage others in the future. Incidentally, the take was split with the Rifle and Pistol Club, which has provided a mighty fine range here.

PUBLIC SCHOOLS' IMPORTANCE IS GIVEN EMPHASIS

The "why" of Public Schools Week which is to be observed here April 23 to 27 along with all the rest of California was pointed out by Nate P. Sexton, chairman of the week here.

"California has doubled its population during the past decade," he said. "With more than ten million people now living in the state, a gigantic burden has been imposed on our school systems."

"In 1940 there were 111,840 babies born in California, all future students of the schools. In 1949 the birth rate jumped to 240,999. By 1955 the number of school children reaching school age will be more than 150,000. Right now there are more than 1,000,000 children eligible for admission to California schools. In 1955 it is estimated the state will need from 20,000 to 33,000 classrooms to provide adequate school facilities."

"But as impressive as the physical side of this problem of the public school is, we feel, the world crisis and the challenge to our democratic way of life is meeting today is even more arresting. Certainly Public Schools Week affords all citizens an opportunity to get better acquainted

with what our schools are doing.

All public schools are holding open house during the week of April 23-27. The slogan of the week is "The Public School—An American Heritage." The local committee is urging everyone to visit one or more schools during that week.

Tahoe Affairs Bring Action By Board of Supervisors

Lake Tahoe affairs occupied the attention of the Placer County board of supervisors at their March 26 meeting, according to word from County Clerk L. Rechenmacher at Auburn.

The people of the Carnelian Bay district requested the county to prevent private individuals and gravel companies from removing rock and gravel from the beach and from Bay Street. In accordance with this request, the board instructed District Attorney Al Broyer to prepare an ordinance to make it a misdemeanor to move any dirt, gravel, sand, timber or other materials from any roadway or from any other county property without the written permission of a member of the board of supervisors.

In an effort to establish public rights of way, the board at the same time passed a resolution that the county accepted as public roads all the streets, roadways, lanes, avenues, parks and other public property delineated on all the maps, plats and other subdivision plans in the entire Lake Tahoe area of the county.

Petitions with signatures totaling 175 names were presented to the board asking that a permanent member be appointed to the county planning commission from the north end of Lake Tahoe; in particular the area from the east side of Dollar Hill to and including Brockway Hill at the state line. A letter was also presented from the North Tahoe Community Club recommending that Harry Stuble of Kings Beach be appointed. The letter was retained by the supervisors but the petition was turned over to the planning commission for consideration.

The commission met on March 30 and considered the petition. No action was taken at that time because Harry Johanson of Tahoe City now holds office on the commission and, pending a vacancy, the matter was tabled.

Call to Action

HAVE you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours—the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine—more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and sure-gripping brakes, the finest that Buick has ever engineered.

But there's also luxury—the luxury of double-depth Foamtex cushions and custom upholstery—and of ample roadweight

magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you—room that is unsurpassed anywhere in the fine-car field.

And to make every mile effortless and relaxed, there's the very exclusive advantage of Dynaflo Drive—not as an "extra," but as a standard ROADMASTER feature.

So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that goes the limit—in everything but price!

Check for yourself what others ask—and what others offer—and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Equipment, accessories, trim and models are subject to change without notice.

Community-School Class At Tahoe City Saturday

The class in community-school relations will hold its second scheduled meeting at the Tahoe Lake School in Tahoe City Saturday, April 7, beginning at 9 a.m. Coffee and doughnuts will be served by the Tahoe Lake faculty at 8:30. All teachers and administrators of the Tahoe-Truckee Unified District will be present. Interested parents are invited to attend. Dr. Ted Britton of Sacramento State College will be present to continue direction and supervision of the course.

The first meeting of this class was held March 9 and 10 at the Truckee Elementary School. The values of community-school relations were discussed at that session. Those attending the meeting divided into five committees to make an intensive study of some of the factors of school and community information. The committees include The Three R's, High School Curriculum, Recreation, Reporting to Parents and Community Resources.

Rotarians to Attend Marysville Meeting

Rex Reid of Donner Lake addressed the Truckee Rotary Club Monday evening on the subject of architecture. He told of his experiences in designing costly farm type home in San Fernando Valley as an architectural draftsman.

Claude Harrison was inducted into the club. He is a local saw mill operator representing the Stockton Box Company. Ralph Rowton of Soda Springs was a guest.

Many members and their wives attended the charter night celebration of the Loyalton Rotary Club March 31 where Nevada's governor, Charles Russell, was speaker to some 300 attending. Those who made the trip were Tom Buell, Ernie LePire, Jerry Lewis, John Ciardella, Claude Harrison, John Richards and Jim Sherritt.

With the district conference to be held this year at Marysville April 5, 6 and 7, the following Rotarians, to be accompanied by their wives, have signified their intention of attending this convention: Harold Steen, Bud Horak, William Curran, Jim Sherritt, Clarence Tollefson, Lee Nisbet, John Ciardella and Tom Buell. President Jim Sherritt will be chairman at the convention breakfast Friday, honoring incoming officers.

Ray Scott observed his natal date Sunday, April 1.

REFRESHED BY A NIGHT'S SLEEP, THE FIVE
COMPANIONS ATE A HASTY MEAL OF JUNGLE BERRIES
AND ROOTS BEFORE BREAKING CAMP TO MOVE ON
TO DORAK'S CITY, MINIA.

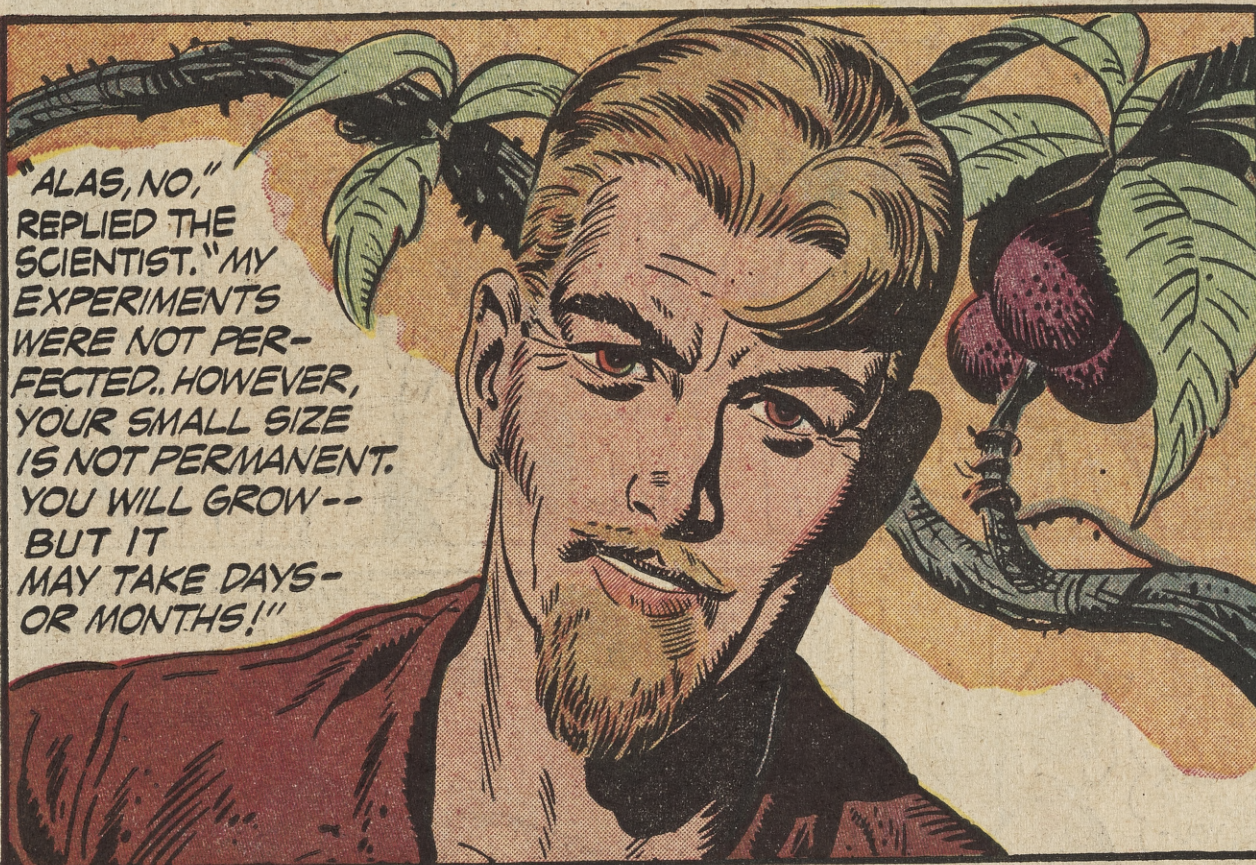

EAGERLY, THE
GROUP RE-
NEWED ITS
JOURNEY.
DORAK SPOKE
HAPPILY. "WE
WILL SOON
REACH MY
KINGDOM,
AND SAFETY!"

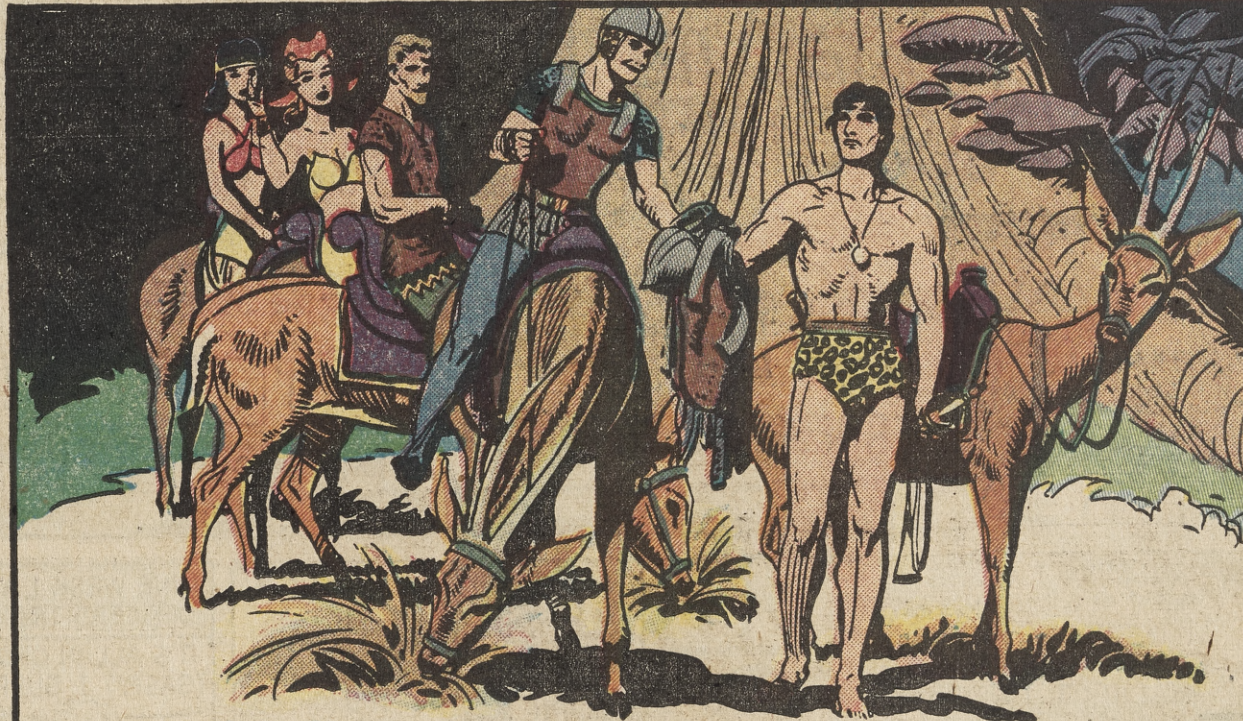

"I AM GLAD FOR YOUR
SAFETY," INTERRUPTED
THE APE-MAN, "BUT
I MUST RETURN

MARO, CAN
YOU ENLARGE
ME TO MY NORMAL

"ALAS, NO,"
REPLIED THE
SCIENTIST. "MY
EXPERIMENTS
WERE NOT PER-
FECTED. HOWEVER,
YOUR SMALL SIZE
IS NOT PERMANENT.
YOU WILL GROW--
BUT IT
MAY TAKE DAYS--
OR MONTHS!"

"THEN I MUST TAKE MY CHANCES," SAID TARZAN, HANDING OVER HIS
NOW USELESS DISGUISE... "GOOD LUCK TO YOU ALL!"

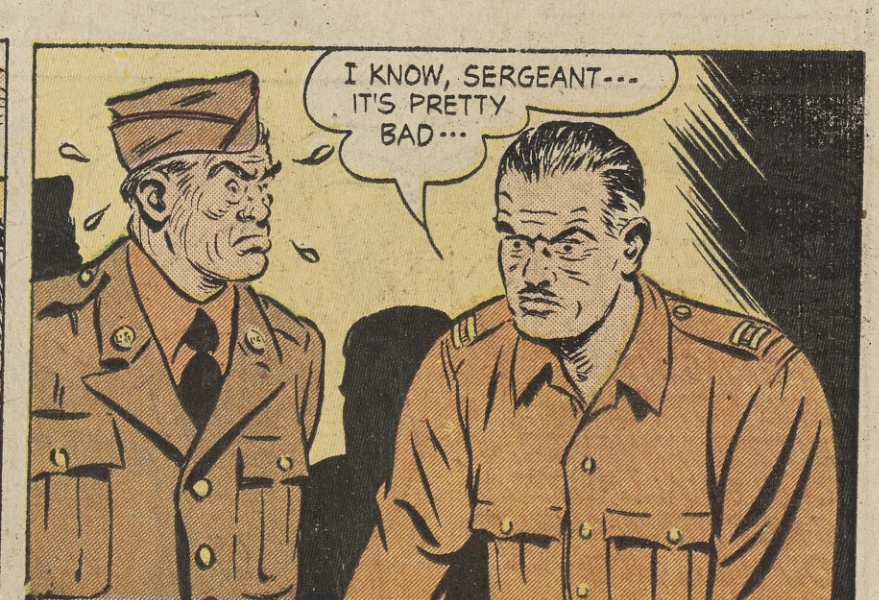

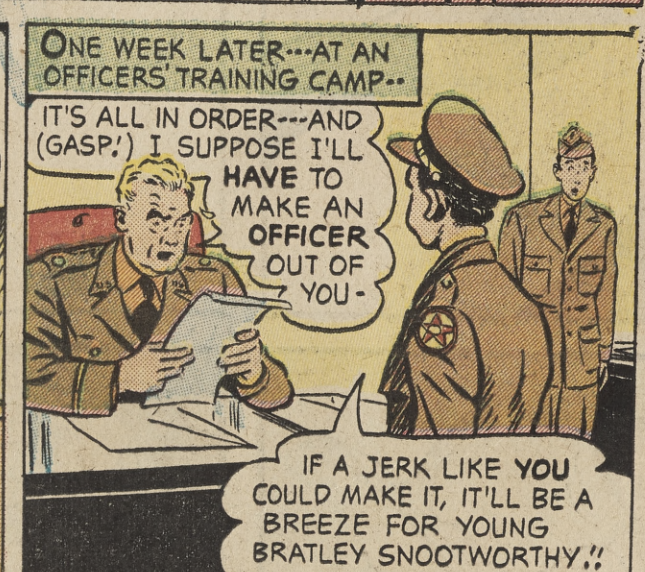

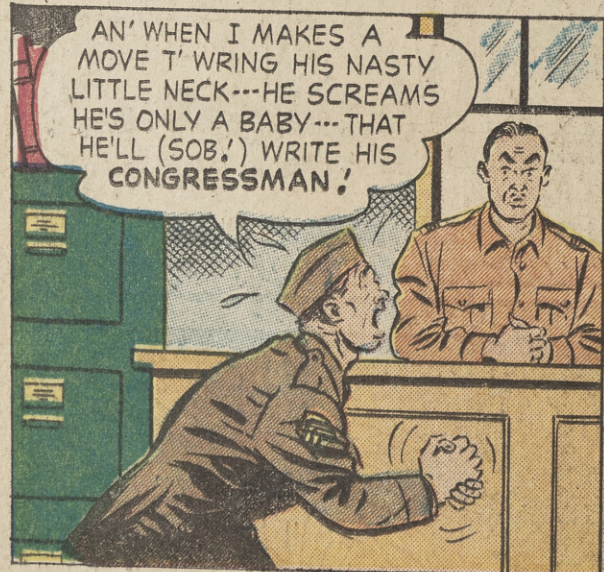

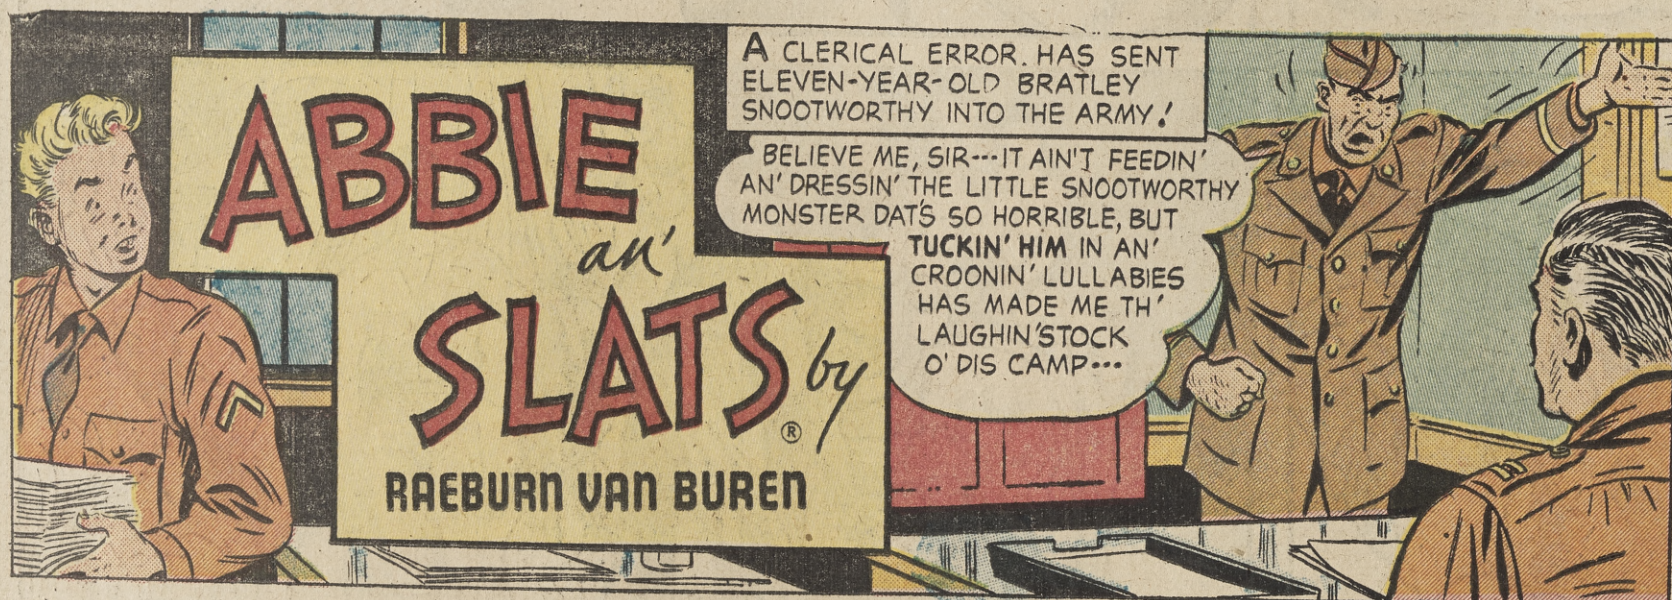

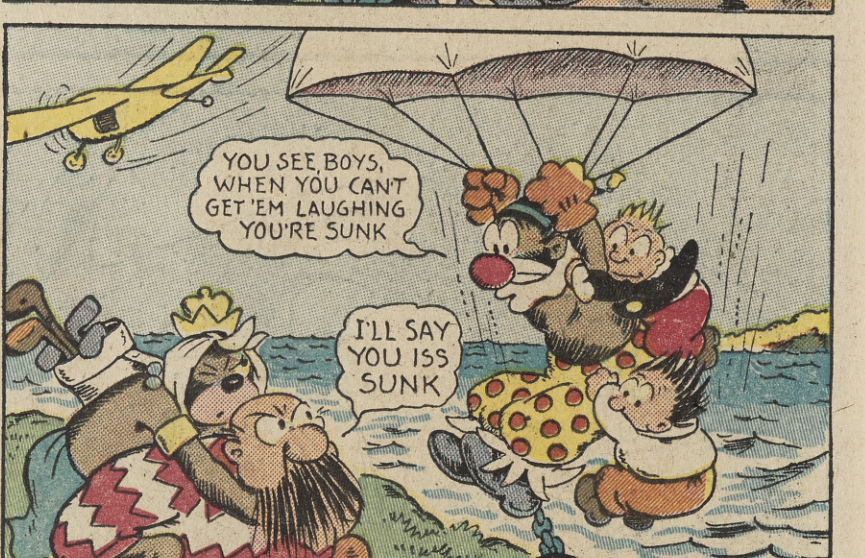

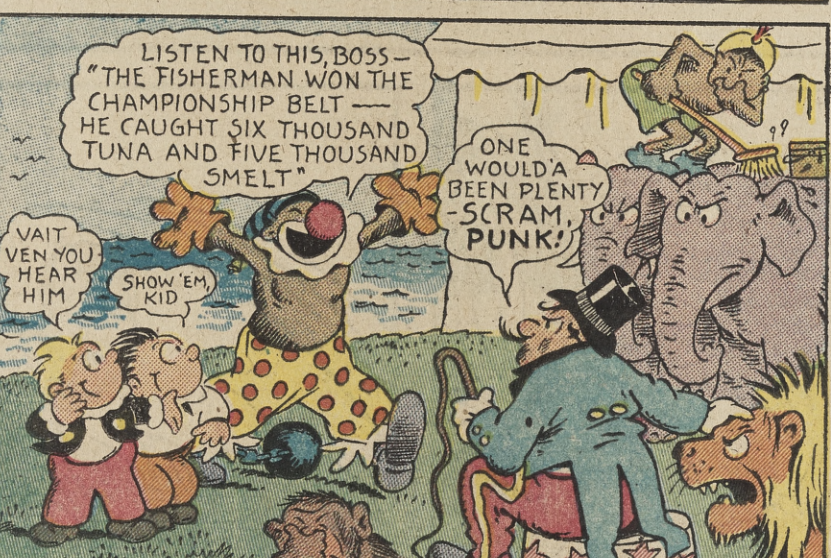

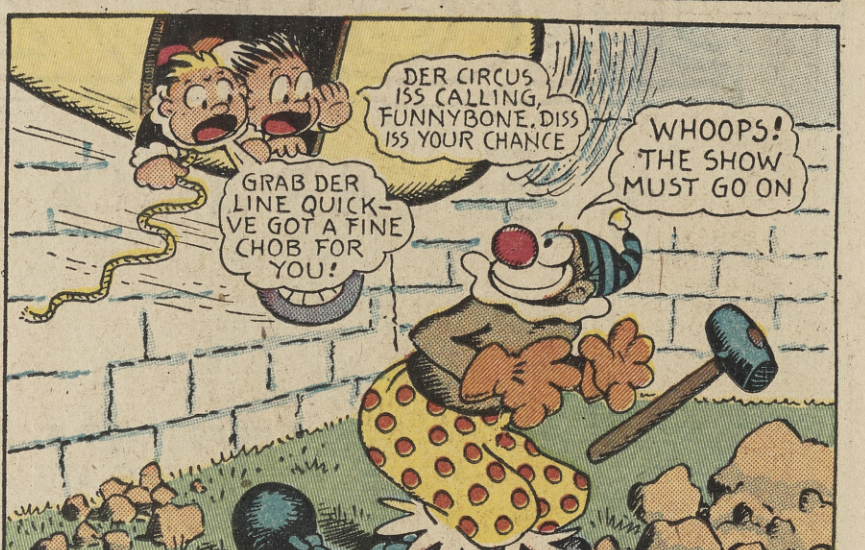

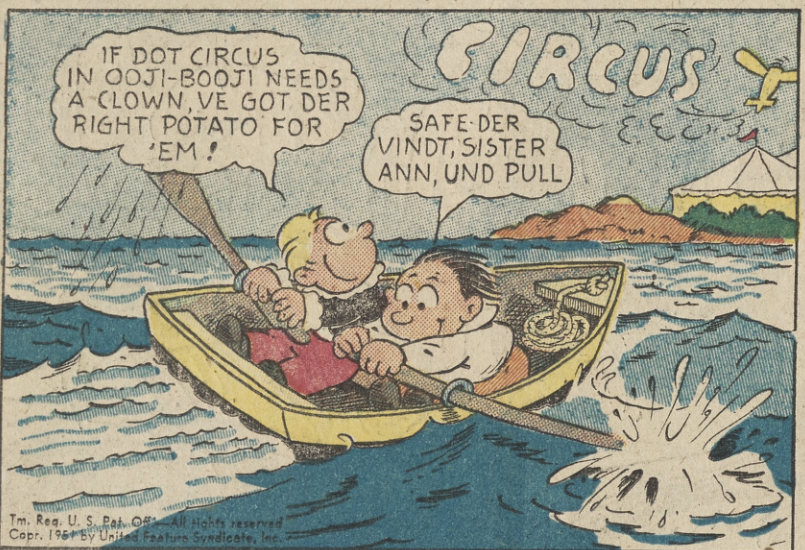

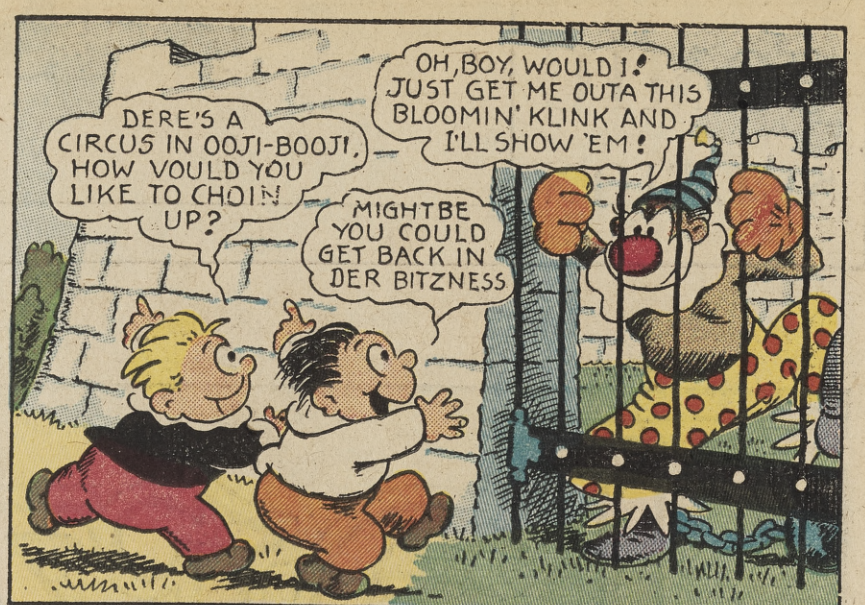

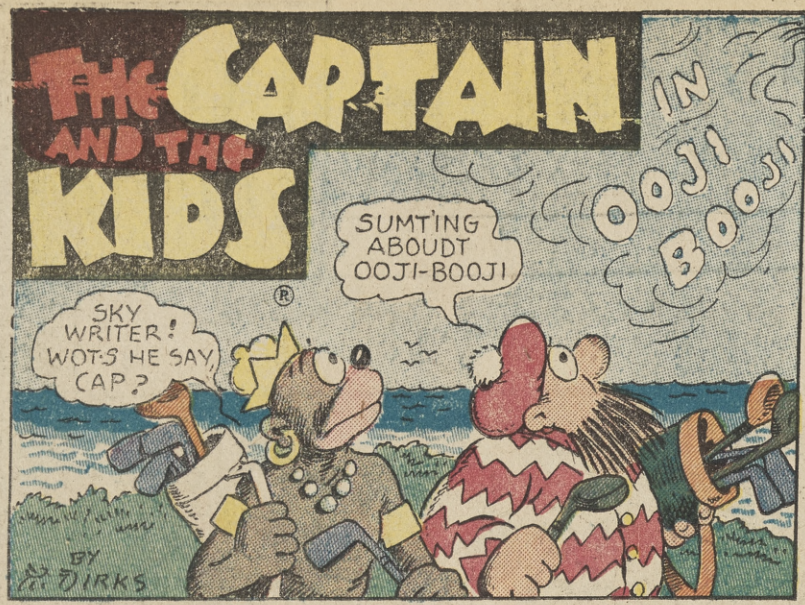

THUS, TARZAN
DEPARTED,
RETAINING ONLY
A SWORD AND

JOE, I HAVE A FAVOR TO ASK OF YOU---SHIRLEY AND I ARE GOING TO THE PLAYHOUSE TONIGHT AND SHE HASN'T BEEN ABLE TO GET A SITTER!

DON'T LOOK AT ME! I'M GONNA SPEND A NICE, QUIET EVENIN' WATCHIN' TELEVISION!

WE'VE PLANNED ON SEEING THIS SHOW FOR WEEKS!

FINE! I HOPE YOU' ENJOY IT, JUST LIKE I'M GONNA ENJOY MY TELEVISION!

WHY CAN'T TH' SPENCER KIDS TAKE CARE OF THEMSELVES WHILE YOU AN' SHIRLEY SEE TH' PLAY AT TH' COMMUNITY PLAYHOUSE?

YOU KNOW THEY'RE TOO YOUNG! SHIRLEY COULDN'T GET A SITTER AND GORDON IS OUT OF TOWN!

MAKE SURE THEY'RE IN BED BY EIGHT, JOE!

DON'T WORRY! I KNOW HOW T' HANDLE KIDS! I'LL GET 'EM INTERESTED IN SOMETHIN' AN' THEY WON'T BE ANY TROUBLE AT ALL!

SURE, MR. JINKS, WE LIKE TO DRAW!

I'LL TELLY' WHAT! GET SOME PENCILS 'N' CRAYONS 'N' PAPER, AN' THEN WE'LL COPY SOME OF THESE FUNNY PEOPLE IN TH' COMIC SECTION!

THAT'S SWELL, BETSY! YOU'RE ALL DOIN' WELL! WHO KNOWS? Y' MIGHT GROW UP TBE CARTOONISTS AN' MAKE A MILLION BUCKS A YEAR BY SLAVIN' FIFTEEN MINUTES A DAY!

GOOD PLAY, WASN'T IT?

VERY! MY, IT'S ALMOST MIDNIGHT! I HOPE JOE DIDN'T HAVE ANY TROUBLE GETTING THE CHILDREN TO BED!
